**Note:**

- Time above is for reference only and subject to change without prior notice. Please refer to our final announcement.
- After the official opening of BEYOND Expo and before the end of the exhibition, the exhibits shall not be removed from the exhibition venue.
- The contact information of all exhibitors will be provided to all the designated partner services/suppliers for easy contact.

## Important Notes:

1. The organizer provides standard lighting, such as exhibition and stage lighting. The standard electricity supply during the exhibition period would be available 30 minutes before and after the official opening hours. Please fill in and submit **Form 4A/4B** if a 24-hour electricity supply is required; a surcharge will be applied. Confirmation of payment is subject to the receipt of payment. The organizer reserves the right to reject any application without giving a reason.
2. A representative of the exhibitor's side is requested to be present at the exhibition venue at any time, specifically on **May 24-27, 2026**, to facilitate any requirements from the organizer. Exhibitors / Non-official Contractors must have their main structure set up no later than **16:00 on May 27, 2026**. This rule will be strictly enforced by the organizer to enable final safety-checking and cleaning before the official opening.

If Exhibitors / Non-official Contractors didn't have any set-up work before **09:00 on May 26, 2026**, the Official Contractor will not allow any set-up process after. If Exhibitors/Non-official Contractors conduct the buildup without the official Contractor's permission, Exhibitors/Non-official Contractors should bear all the costs and charges incurred from the delay of the buildup.

3. All exhibitors and/or their contractors must comply with the entry and exit schedules; the organizer will impose an overtime penalty on the exhibitor. If you need to apply for an extension of the exhibition move-in/dismantling time, please submit an application for overtime in booth construction to the main contractor of the organizer in advance.
4. Exhibits and other materials are not allowed to be removed during the Move-in and Exhibition Period. An official application needs to be handed in to the Freight Forwarder Agents for permission. If local materials need to be moved out, the organizer is responsible for issuing the permission note. For materials from other regions/countries, the Freight Forwarder Agent is responsible for issuing the permission note. We strongly request our exhibitors not to clean up and move out the exhibits until **18:00 on May 30, 2026**, the last day of the exhibition.

5. On **May 30, 2026**, the last day of the exhibition, all services will be terminated 30 minutes after the exhibition **(18:30)**. **All move-out and booth tear-down MUST be finished by 22:59**. We strongly recommend that exhibitors should be at the booth at least until that time to ensure the safety of your belongings whilst dismantling is taking place, and to make sure all the rental items have been returned to the suppliers.
6. All exhibitors should move in & out during the appointed period; early move-in and late move-out are not allowed. Any changes or maintenance of the booth must be done during the specific period.
7. For the booth adjacent to the evacuation door, please leave a 1-meter passage at the back panel, and the vertical fire hydrant on the wall of the pillar in the exhibition hall shall not be blocked.
8. If there is an underground fire hydrant under the booth platform, please leave a 0.5- meter clearance (for opening and fetching water if necessary) and indicate the location clearly.

### **3. EXHIBITION RULES**

#### **5.1 Government Regulation**

Exhibitors must abide by all laws of the Macao SAR and the People's Republic of China.

#### **5.2 Admission Regulation**

A 24-hour security service will be provided during the whole exhibition period. The security will patrol from time to time to ensure the safety of the venue. However, the security and the organizer are not responsible for any loss of exhibitors' personal property. Exhibitors must wear their badges when entering the venue, and security has the right to check any items before entering and leaving the venue.

The organizer reserves the right to change the exhibition plans or exhibition venue allocation at any time without prior notice to exhibitors. Relevant complaints will not be accepted.

The organizer reserves the right to modify plans and/or, when necessary, to change the allocation of booths that have been allocated to exhibitors (based on the overall exhibition's interest). Exhibitors shall not call for any compensation from the organizer.

To maintain the image of the exhibition, for those exhibitors who do not show up on the first day of the exhibition, the organizer reserves the right to seal or make alternative arrangements for the use of vacant booths without prior notice to exhibitors. Exhibitors shall not call for any compensation from the organizer.

##### **a. VISITOR ADMISSION**

The organizer reserves the right at its absolute discretion to refuse admission to the exhibition for visitors, exhibitors, or their agents who are regarded as likely to create disturbance or discomfort at the exhibition during the whole exhibition period (including move-in and move-out time).

##### **b. EXHIBITOR ADMISSION**

Exhibitor badges will be available for pick-up at the organizer's office on-site, starting from **May 27, 2026**, at 09:00. All exhibitors are required to always wear their badges in the exhibition venue. Staff, contractors, or agents of exhibiting companies must wear the official badges issued by the organizer. Badges are not transferrable. The security has the right to check badges and ID if necessary.

##### **c. NON-OFFICIAL CONTRACTORS ADMISSION**

If an exhibitor engages other contractors to carry out booth decoration, the non-convention general contractor and transport staff badge is only applicable to the entry and exit days of the exhibition and does not apply to the exhibition period. The Non-Official General Contractor Badge should be applied for on or before April 23, 2026, by completing **Form 7** from the official contractor.

### **3.3 Performance Bond Deposit**

All raw space/non-official contractors must provide a performance bond deposit of **HKD/MOP400/sqm (Minimum charge: HKD/MOP5,000; Maximum charge: HKD/MOP50,000)** according to the size of the booth. This amount will be used towards any damages caused during the build-up, dismantling, and cleaning of the booth after the exhibition. All workers who are working at the exhibition venue must be legally authorized to work in the Macao SAR.

#### **Performance bond deposit can only be made by cheque, T/T, or Cash**

##### **1. Payable to: Nam Kwong International Conference & Exhibition Co., LTD.**

Please write down the information below on the back of the cheque: “Exhibition Name”, “Company Name”, and “Booth Number”.

##### **2. Direct Deposit or T/T:**

<b>Name of the Account</b>	Nam Kwong International Conference & Exhibition Co., LTD
<b>Bank</b>	BANK OF CHINA MACAO BRANCH, MACAO
<b>Account Number (MOP)</b>	180101101810402
<b>Account Number (HKD)</b>	180111103502582
<b>Swift Code</b>	BKCHMOMX
<b>Bank Address</b>	BANK OF CHINA BUILDING AV. DOUTOR MARIO SOARES, MACAO
<b>Bank Telephone</b>	+853-2878 1828

##### **Note:**

- Applicable to Direct Deposit or T/T
- Customers should pay T/T and other banking charges
- The remittance note should be emailed or faxed to the Official Contractor for confirmation

#### **Performance Bond Refund Policy and On-site Clearance Requirements**

The performance bond will be refunded **within 15–45 working days** after the exhibition ends, provided that the booth is properly cleaned, no installation is damaged, the booth is completed within the specified time, and there is no violation of the Exhibitor Manual.

If any of the above conditions are **not** met, any expenses incurred by the conference will be deducted directly from the security deposit. Companies in Macau and other regions will receive the refund in the form of a final payment.

In accordance with the above terms, exhibitors are required to **remove all exhibits, booth materials, and promotional materials immediately after the exhibition ends on May 30, 2026 (the last day of the exhibition period)**. Any items left at the exhibition site will be removed immediately. The site acceptance form must be completed and approved by the event's official general contractor.

#### 5.4 Operations-Loading Docks

How to get to the Cotai Expo Loading Docks:

### **Rules Regarding “Cargo-carried Vehicles Pass” For Exhibitors and Contractors:**

- A. The organizer will strictly control the exhibitors, contractors, and logistics suppliers from entering the exhibition venue and loading docks for temporary parking and loading/unloading cargo during the whole exhibition period (including the move-in and move-out times).
- B. Only cargo-carried vehicles with valid “Cargo-Carried Vehicle Passes” will be allowed to enter the loading docks.
- C. All “Cargo-Carried Vehicle Passes” should always be displayed on the vehicle’s windshield for checking purposes (only valid during the move-in and move-out period).
- D. The speed limit within The Venetian loading docks is **15km/hr**. Vehicles caught exceeding the speed limit will be barred from entering.
- E. For any vehicles found **overstaying or illegally parked**, the Organizer reserves the right, at its sole and absolute discretion, to tow the vehicle away. Any charges incurred shall be borne by the relevant parties. The Organizer may also refuse entry to any vehicles, even if they possess a valid “Cargo-Carried Vehicle Pass”, without prior notice. The Organizer will not reissue the pass, and all payments are non-refundable.
- F. The “Cargo-Carried Vehicle Pass” is **non-transferable**.
- G. The “Cargo-Carried Vehicle Pass” is only for cargo-carried vehicles entering the Venetian loading docks. The pass should not be used for entry into the exhibition venue by the drivers or their assistants. For entry into the exhibition, they should carry contractor passes or exhibitor passes.
- H. A fee of **MOP60** will be charged for every pass issued at the Off-Site Staging Area. Maximum unloading and loading times are confined to 45 minutes at the Venetian loading docks. The overtime surcharge is based on MOP60 per 15 minutes for any excess of the normal 45 minutes.
- I. Fees received are not refundable.
- J. A penalty of MOP60 will be charged for lost passes.
- K. All cargo-carried vehicles must leave the loading docks immediately after cargo has been unloaded. This pass is only valid for one time and one car only during the period of move-in & move-out.

### 3.4 Protection Against Theft and Other Damages

General security service for the exhibition venue will be arranged by the organizer, including dispatching security guards to patrol the venue. All exhibitors must take utmost care of their exhibits and belongings during the whole period (including move-in and move-out times). The exhibitors can hire their own security guards if necessary. Nevertheless, exhibitors should take responsibility for their personal belongings and not leave any valuables in their booths.

Please be sure to pack all the items at the booths during the exhibition period. The organizer is not responsible for any loss. If exhibitors display exhibits of high value in the exhibition, please arrange personal security guards for safety issues if needed. If any exhibitors suspect that any theft, loss, or other untoward event has occurred, please report the incident to the Organizer and the security guards in the exhibition hall immediately, or call the **Venetian's crime reporting hotline at +853 8118 0999** (Security Control Room).

### 3.5 Food and Beverage

According to the regulations of The Venetian, **outside food and beverages are strictly prohibited** from being brought into the exhibition venue. The organizer maintains the authority to remove any food or drinks that have not been supplied by authorized parties, though The Venetian is available to provide food and beverages directly to exhibitors.

Exhibitors are **not permitted to sell or provide free tastings of any dairy products, ice cream, or other iced items**. All food and beverages intended for sale or sampling must adhere to the highest hygiene standards and be entirely safe for human consumption. Furthermore, any items involved in these activities must specifically match the exhibits listed in the original application form.

The organizer reserves the right to immediately halt the sale or tasting of any food and beverages. Additionally, they may require exhibitors to present valid food hygiene and safety certificates issued by the relevant health, inspection, and quarantine departments.

Portion sizes for food must be strictly limited to tasting portions, defined as approximately **50g or a single bite-sized piece**. For non-alcoholic beverages, the maximum serving size is **30ml**. For alcoholic beverages, including wine and beer, the maximum limit is **10ml for spirits**.

### 3.6 Visa Information

For any information regarding entering Macao S.A.R., please use the following resources:

- Website: <http://www.fsm.gov.mo/psp/cht/main.html>
- Phone: Call the Immigration Office of the Macao Security Police at +853 2872 5488
- Email: [psp-info@fsm.gov.mo](mailto:psp-info@fsm.gov.mo)

The organizer can send out the invitation for the application of travel documents from Mainland China to Macao S.A.R. Please contact the Organizer if needed. With the invitation, exhibitors can apply for a Macao S.A.R. entry/departure document through the local office of foreign affairs.

### **3.7 Telephone / Fax / Other Internet Facility**

Exhibitors who wish to install telephone, fax, or other communication equipment in their booths should complete the Telecommunications and **Network Provisioning Services Application Form** and submit it to the official contractor before April 23<sup>rd</sup>, 2026.

## 4. EXHIBITOR RULES & REGULATIONS

### 6.1 Exhibitors Code of Conduct

It is the responsibility of all exhibitors and their representatives (as identified in applications and exhibition contracts) to ensure that all booth personnel and contractors behave in a professional and polite manner at all times.

### 6.2 Health and Safety Guidelines and Risk Assessment

It is the primary responsibility of all exhibitors and their representatives to ensure that all booth personnel and contractors conduct themselves in a professional, polite, and inclusive manner.

- **Professionalism and Inclusion:** Exhibitors must welcome all visitors politely. Discrimination in any form, including the posting of discriminatory materials or the restriction of specific groups from visiting the booth, is strictly prohibited.
- **Safety Compliance:** Exhibitors must ensure that all staff and contractors comply with relevant Occupational Health & Safety (OHS) policies and procedures of both the venue and the company.
- **Operational Safety:** Necessary safety measures and operational systems must be provided to ensure all activities are conducted safely.
- **Qualified Supervision:** A designated individual with full knowledge of the Exhibitor's OHS policies must be appointed to supervise the booth during move-in, the exhibition period, and move-out.
- **Booth Dismantling:** Exhibitors must ensure the booth is dismantled in a safe, systematic, and organized manner within the specified timeframe, following all organizer arrangements.
- **Legal Requirements:** All staff, contractors, and logistics providers working on-site must be licensed workers licensed by the Macao S.A.R.

### **Safety Procedures**

Safety procedures for the exhibition include the following:

- A. During the build-up and breakdown period, safety measures like helmets and reflective safety vests are required to be always worn.

- B. Please note that any lifting equipment must be operated by the official freight forwarder.
- C. Smoking is not permitted within the exhibition venue.
- D. During the move-in and move-out period, anyone (including exhibitors and appointed contractors) admitted to the exhibition hall must wear a reflective safety vest.
- E. Workers are required to use safety measures (such as reflective safety vests, safety belts, helmets, and metal scaffolding) while construction activities are carried out at 2m or more above ground level.
- F. Any project carried out in the exhibition venue must not violate the regulations of The Venetian Macao Resorts. This regulation is applicable to all exhibitors and commissioned by the contractors/logistics providers, etc. If any violation is found, the organizer has the right to stop the relevant construction activities immediately. **Exhibitors have no right to pursue any refund.**
- G. Everyone, including exhibitors, staff, and contractors, is not permitted to consume alcohol (including alcoholic beverages) within the exhibition venue or in loading dock areas at any time.

### **6.3 Security and Insurance**

The organizer undertakes no financial or legal responsibility for any type of risk concerning or affecting the exhibitors/visitors, including their personal belongings and exhibits. Exhibitors are responsible for all necessary insurance to cover their exhibits and belongings, the exhibitors' employees, and public liability for those who visit the booths.

### **6.4 Business and Manning Conduct**

Exhibitors must start and finish the exhibition activities on time during the opening hours. All booths must be fully staffed and operated throughout the exhibition hours. Exhibitors are not allowed to participate in any activities that may cause annoyance or discrimination to visitors or other exhibitors. All activities of the exhibitors and staff must be confined to the booth or site allocated. Exhibitors should welcome all visitors to the booth. In any case, exhibitors are not allowed to display any discriminatory slogans to restrict visitors from visiting the booth. No advertising or canvassing for business may take place elsewhere in the exhibition hall other than the booth, including distributing leaflets, brochures, journals, etc. Exhibitors and staff shall not enter the other exhibitors' booth without invitation.

## 6.5 Booth Safety and Regulation

Exhibitors shall appoint at least one staff member to be responsible for their booth and allocate enough staff to present and/or demonstrate equipment, exhibit, or product at their booths:

- A. Install all working machinery securely to prevent base slippage and ensure the operation to avoid intrusion into the aisle or otherwise pose any danger to all persons, the exhibits, the exhibition hall, or the fixing device.
- B. Ensure that precautionary measures have been taken by exhibitors, including adding protective installations, arranging security, and other safety procedures to ensure public safety. Exhibits can only be demonstrated by authorized staff and must obtain prior approval from the organizer.
- C. Adequate protection of displays and items in the booth must be ensured and applied to the Macao SAR Fire Safety rules.
- D. Ensure to obtain all the relevant local government authority license(s) and/or permit(s), observe stipulated regulations and conditions, and abide by the demonstration to use electronics between/among exhibitors. The organizer has the right to ask for the original copy for reference.
- E. The organizer reserves the right to the final decision of confirming the qualifications of exhibitors without any reason to ensure the exhibition is conducted smoothly. The organizer's decision is final in any dispute arising.

## 6.6 Exhibit Freight

For insurance reasons and to ensure proper control and coordination of on-site freight movement, only the official freight forwarder is permitted to work in the exhibition and operate lifting equipment unless the consignment can be hand-carried (without mechanical equipment, such as sack-barrows, forklifts, hard-wheel trolley, pallet trucks, or cranes). Please provide information in advance to the official freight forwarder for arrangement no later than **17:00 on April 23, 2026**. This regulation will be strictly enforced by Venetian and the Organizer.

After the exhibition, a move-out permit will be distributed to exhibitors **after 14:00 on May 30, 2026**. Exhibitors must complete and return the questionnaires to obtain a move-out permit for departure.

If the exhibit is particularly sensitive, the official freight forwarder may request a representative of the exhibitor to accompany and advise them on the handling of their products. Exhibitors must submit details of exhibits in writing to the official freight forwarder no later than **April 23, 2026**. Exhibitors will be informed of the date and time when exhibits will be delivered to the exhibition hall.

## **6.7 Venue & Loading Dock Access**

The Venetian loading dock is primarily for the use of contractors appointed by exhibitors, exhibitors, and official contractors during the move-in and move-out period. According to the Exhibitor's Manual, handling machinery such as trucks, hooks, hoisting cars, forklift trucks, hydraulic presses, or iron wheelbarrows at the exhibition venue/on-site can be handled only by the official freight forwarder. No private handling equipment will be allowed in the exhibition venue.

For on-site handling related services & and costs, exhibitors should contact the official freight forwarder directly.

### **Loading Docks, Car Park & Cargo Lift**

Since the loading area is limited in space, if any vehicle is found overtime or illegally parked, Venetian will tow the vehicle without prior notice. All incurred fees need to be settled by Exhibitors/appointed contractors. There is no parking available to contractors or exhibitors on the Venetian loading dock during the move-in, operation, and move-out of the exhibition. After loading or unloading, all vehicles should leave the Venetian loading dock immediately. No private car will be allowed to enter the loading dock. Venetian loading dock clearance is 4.5 meters in height. Only cargo-carried vehicles can apply the Cargo-carried Vehicle Pass to enter the Venetian loading dock. It will be charged for every single entry. For any special requirements, please inform the Organizer before **April 23, 2026**. The Organizer's decision is final in any dispute arising.

## **6.8 Storage and Disposal of Materials**

*Note: There is no storage space for empty crates/boxes or packing material in the exhibition hall.*

Exhibitors are responsible for removing all empty crates/boxes or packing material. Any goods or packing material left in the corridor may be disposed of without prior notice, and extra removal charges will be incurred. Please contact the official freight forwarders for details on temporary storage. Delivery of stock or replenishment may only be carried out half an hour before the opening hours or immediately after the closing of the exhibition every day. All deliveries should be made during the exhibition setup period. Large items of waste materials shall be disposed of before the exhibition opening. Exhibitors need to ensure that gangways and public circulation areas are kept clean.

## **6.9 Venue Specification**

The loading weight of the loading area is 1,250 kg/sqm. Prior arrangements must be made with the official freight forwarder if the exhibit exceeds 1,250 kg/sqm.

## **6.10 Compressed Air**

The use of compressed air of an inflammable or toxic nature for demonstration purposes will not be permitted within the exhibition venue.

### **6.11 Public Address System**

The PA system is used only by the organizer for official announcements. Neither paging service nor exhibitors' announcements can be made.

### **6.12 Booth Cleaning**

The organizer will arrange general cleaning for the exhibition hall and booths daily, prior to and after the opening of the exhibition.

### **6.13 Photographing / Video Shooting**

Media/Commercial photographers may wish to photograph the booth or a certain exhibit.

Exhibitors who wish to restrict photography should place a notice near the exhibits, and are advised to hire their own security guard to enforce the restrictions.

### **6.14 Volume Control**

It is advised that all exhibitors should create a tranquil and comfortable environment during the exhibition period with volume control measures. Exhibitors should appoint professionals to control the volume under 80dB. Speakers and other audio equipment must be installed facing the booth. Exhibitors are strictly prohibited from causing noise disturbances to visitors or other exhibitors.

If there are any complaints, the organizer reserves the right to apply any sound control measures. Exhibitors are responsible for their own consequences.

### **6.15 Fire Precautions**

Exhibitors are required to strictly follow the regulations of the concerned authorities regarding safety precautions and the prevention of accidents or fire. All electrical installations must be checked by the official contractor, and other hazardous materials can only be used after receiving permission from the organizer, with all necessary safety precautions.

### **6.16 Dilapidation**

Exhibitors are solely responsible for any damage caused to other booths, the exhibition's property, or the property of third parties.

### **6.17 Force Majeure**

The exhibition may be postponed, shortened, or extended due to any cause whatsoever outside the control of the organizer. In this kind of situation, the organiser will not be responsible for any losses sustained by the exhibitor, directly or indirectly attributable to the elements of nature, force majeure, or orders and directives imposed by any governmental authority.

### **6.18 Authority on the Premises**

In the event of any problems or disputes, the decision of the organizer, being the lessee of the premises, will be final. The organizer also reserves the right to amend any earlier decisions made to meet and satisfy any unforeseen or prevailing circumstance for the benefit of the exhibition and concerned parties. Still, exhibitors should comply with all the rules stated in the Exhibitor Manual. The organizer has a final explanation and decision for any rules and additional provisions.

### **6.19 Handover of halls**

The halls must be handed back to the Venetian Macao Resort Hotel at **22:59 on May 31, 2026**, to make way for a subsequent event. Exhibitors must ensure that their exhibits and booth materials are removed by that time. Any items remaining will be disposed of in the fastest way possible. The organizer is not responsible for any losses or damages. Any costs involved must be paid by the exhibitors. Any revenue received due to handling these items (if any) belongs to the organizer. The organizer is not responsible for reporting these revenues to related exhibitors.

### **6.20 Accommodation Arrangement**

The organizer provides exhibitors and visitors with hotel reservation services. Besides, packages for the summit and accommodation with special offers are now available. Reservations are on a first-come, first-served basis.
