Requirements for Rigging structure used in Hall.

Must provide the drawing & documents below before set-up of all rigging structures:

Drawing showing **all weights, dimensions & fabrication** of the rigging object.

Drawing showing **the method of installation** of the rigging object.

Drawing showing the weights & objects per rigging point.

Truss/ Frame materials used must provide TÜV certification.

The factory report of the pulley device used in the installation (referring to the device provided by the contractor), the aircraft strap, the Segu buckle, the steel cable (Wire), and the corresponding load-bearing report.

Fireproof materials must provide a fire safety certificate issued by the original factory or a qualified fire company.

The structure and facilities of all hanging parts must submit the **Registered Structural Engineer Report (RSE Report)**, and the structural engineer must inspect and issue the RSE report on site.

Here are some main points from Venetian:

Do not accept the use of snake frames for hanging parts, and it is recommended to a use truss (Truss frame); **The Truss (Number) used must be consistent with the**

certificate number and will be checked on site by inspectors, please strictly obey the rules.

The spot-welding process craft is not accepted for the part structure.

Any hanging facilities, including but not limited to pulleys, aircraft straps, Segur buckles, steel cables, etc. with surface corrosion will not be accepted and used;

Besides, there are some other rules that need to be obeyed:

Carpet protection is required during the event, including set-up and dismantling periods.

Provide the dimensions of the backdrop or LED wall design.

If the booth structure, backdrop, or LED wall is $\geq 3.5\text{mH}$ or 12mW , need to provide a safety surveyor report.

If curtains are used, a fabric Resistance Certificate must be submitted; if AV equipment is used, an equipment list must be submitted.

If smoke machines are used, please provide the specific date and time of use, as needed to apply for permission from the fire department.

After the construction is completed or the equipment is set up, please fill in the electrical installation test report before the event.
